 Collegamento con telecomando esterno centralizzato

REMOTE CONTROL DEVICE

it allows both to switch off and switch on the emergency lamps during emergency mode. The rest mode is automatically resetted when mains voltage is restored. This remote control device can be installed so as to operate several emergency units at the same time.

CON TELECOMANDO ESTERNO CENTRALIZZATO

Permette sia lo spegnimento che la riaccensione delle lampade durante il funzionamento in emergenza. Al rientro della tensione di rete il sistema si predisporrà ad un nuovo intervento in emergenza.

Battery replacement

Sealed Ni-Cd batteries. To replace batteries follows the instructions. Do not discard in the environment. Return to manufacturer.

Sostituzione della batteria

Batterie ermetiche al Ni-Cd. Per la sostituzione estrarre il connettore come indicato in figura. Non disperdere nell'ambiente, riporre negli appositi contenitori.
